1913 Duchess St (Units 1-5)

Victoria's lowest entry point for a 5-unit revenue property rewards the right buyer with verified financials, stable tenancies, and income records going back over a decade. Professionally managed since March 2015, this investment includes 4x1-bed suites and 1x2-bed suite, 5 parking stalls, bike storage, and coin laundry. Walkable access to groceries, transit, and services in Oak Bay/Jubilee is exactly what keeps the units filled, and gross annual revenue of \$75,732 reflects stable, long-term tenancies. Hands-on investors have room to improve their cap rate: self-management eliminates management fees, and taking on the low-maintenance landscaping reduces operating costs further. This is the ideal entry point for the solo investor adding their first multi-unit to a growing portfolio, or a small group ready to put their capital to work together.
