View Royal - Glentana

Bordered by Portage Inlet and threaded with flat, accessible walking and cycling trails, Glentana offers the kind of settled, tree-lined calm that's increasingly hard to find at this price point. The E&N Trail runs nearby - gentle terrain that's genuinely usable year-round, whether on foot or by bike. View Royal's amenities, quick highway access, and a short commute to Downtown and Langford make it a quietly practical choice for buyers who want an active lifestyle without giving up everyday convenience.
